deserve convenient space

Hush
acoustic
office
solutions

We provide separate mobile modules to replace stress with harmony and composure.

Hush Meet L is a true alternative to traditional conference office space. No construction work. No renovation rooms. The modular design of Hush Meet L includes required. Each module is a room-in-a-box that is perfect a selection of models to harmonize perfectly with your for longer or more formal meetings.

— Hush Meet L is a perfect place for:

Highly private meetings

Formal meetings

— Why is the Hush Meet L a unique office solution?

Air conditioning

The air-conditioned version keeps everyone feeling comfortable during the meeting.

Mobility

Each modular box can be relocated after partial disassembly.

Modular design

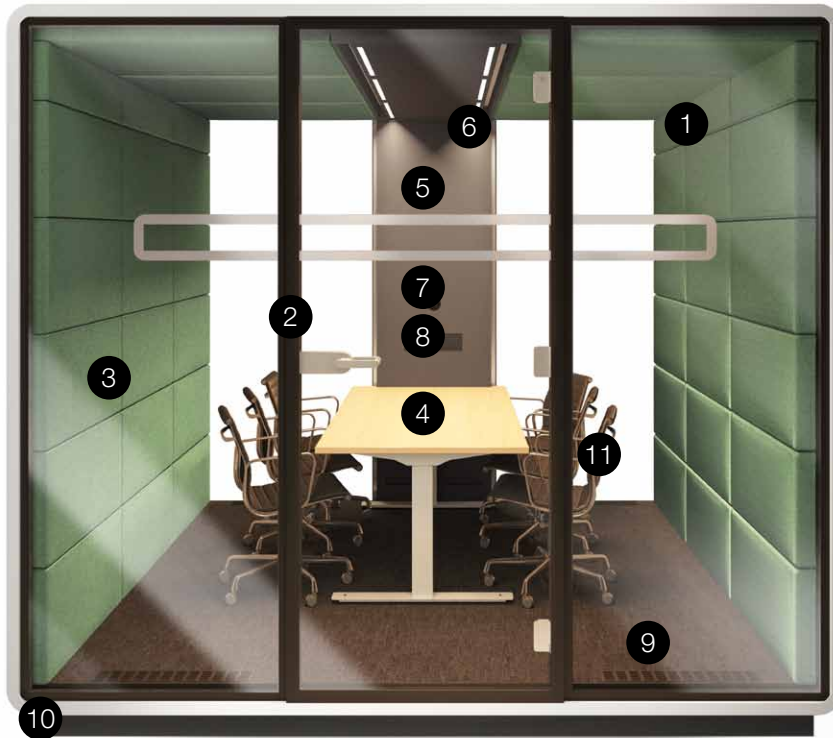

Each Hush Meet L can be expanded with additional modules.

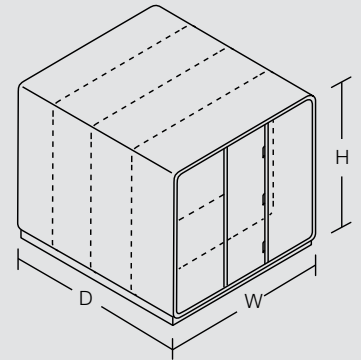

Sound performance

Sound-proofing glass panels and upholstery effectively suppress sounds from the inside and outside.
